Year 1

TALENTED TENNIS STARS:

Well done to the Y3/4 tennis team who competed in a tournament at Chantry Middle School this week. One of our teams came second and the other team came fourth. Their attitude and behaviour representing the school was excellent. Maybe Wimbledon might come calling in the future!

FIRST HOLY COMMUNION: A reminder that the next session is this **Sunday 29th April @ 10 am after 9:00am Mass**. I know Father Peter would like to see all the children at Mass on a Sunday leading up to the First Holy Communion.

SPONSORED WALK: Thank you to everyone who has supported the PTFA's sponsored walk. The pupils thoroughly enjoyed the walk and it was lovely to have parents and family members join each class. The sponsor money has already started coming in, so if we can have all the sponsorship by **Friday 4th May** we would be very grateful.

STEM WEEK: Next week is STEM week (Science, Technology, Engineering and Maths) **30th April—4th May**. The pupils have already been enjoying the Sphero SPRks this week. Check out some of their work on our Twitter feed. Thank you to the parents who have kindly offered to come into school and speak with the children about their line of work. If any parents would still like to come in and speak to the children about STEM please contact the class teacher through Class Dojo. Newcastle University will be coming into school later in the year to work with Y3&4 on a Young Scientists workshop.

BEFORE AND AFTER SCHOOL CLUB: Thanks to all the parents who are using School Gateway to book their child's sessions. There has been a few teething problems but hopefully they have all been sorted now. As of **Tuesday 8th May** children will only be able to access the Club if their session has been booked online. If any parents are still having problems with the booking system please let Mrs Callaghan know as soon as possible. **If you need to contact St Robert's Club direct please use the school number (512031) or the mobile number (07704 913 277) as staff are not allowed to have their mobile phones with them when in the Club.**

RECEPTION CLASS ASSEMBLY: Unfortunately the date of the Reception class assembly has been rearranged as Mrs Oliver's new school has requested her presence that day and we couldn't have the assembly without her! The new date is **Monday 9th July @ 9:10am**.
