

Sports Grant: Accounting for Expenditure in 2019-2020

Use of 2019-20 allocation: £17,172			
Amount	What we did	Why we plan to use the allocation in this way	Impact on pupils' health and well-being
£6,500	NUFC foundation sports partnership.	To provide high quality specialist delivery of curriculum PE to all pupils in school, and high quality CPD for teachers and teaching assistants. To access opportunities for local inter-school competitions and festivals. Delivery of an after school sports club. Pupils in KeyStafe also take part in Match Fit sessions (Match Fit is a six-week fitness, football and nutrition course) and Restart a heart.	Pupils benefited from delivery of high quality PE and pupils across the school will develop a high level of skill. NUFC staff delivered high quality sessions both in the classroom and on the sports field. All teams entered for competitions achieved a good level of success.
£224	Release time for the PE lead to attend training. Daily Mile medals for pupils in Y1 -4	To improve the PE provision at the school. To have the experience and knowledge in which to provide good quality physical activity in lesson time and as an extracurricular option. All pupils to run a final daily mile and receive a medal.	Extra curricular clubs have doubled and a wide variety of activities are on offer. Subject lead tracks pupils participation. The pupils were excited to receive their medals for completing the daily mile.
£250	Cricket England	To provide specialist delivery of curriculum PE in games, and high quality CPD for teachers. To provide specialist extra-curricular coaching in cricket	KS2 pupils developed a good level of skill in the game of cricket. The specialist coach gave very positive feedback on pupils' attitudes, behaviour and team spirit.
£500	Travel to sporting events	To allow the pupils to compete in Partnership events and the Northumberland School games.	Pupils gained a sense of achievement representing their school at events. They learn to deal with the emotions of competing in competitive sports. Selected Year 3 pupils represented the school as Life Activators at the Northumberland School games.
£100	Rugby coaching	To provide specialist delivery of rugby.	This supported the KS2 pupils in preparation for the Morpeth partnership rugby tournament. The pupils and teachers gained a greater

			understanding of the rules and skills needed to complete in rugby union.
£381	To support with the transport costs for the whole school trip	The trip provides a fantastic day out - the pupils play sport, paddle in the sea and enjoy the sand dunes.	The impact this trip has on the wellbeing of the children and parents is huge. It's fantastic to see the whole school community enjoy this trip together. The pupils love to play football and cricket on the beach.
£500	The transport to Robinwood	To transport the year 4 pupils to the outward bounds centre at Alston for 3 days of activities.	This trip strengthened the pupils, both mentally and physically. It encouraged attributes like teamwork, resilience and endurance.
£800	Restock equipment for use in PE lessons and after school activities.	To make sure we have the equipment that will allow the pupils to engage in activities at the correct level for their age and ability.	Pupils enjoy being active at they break and lunchtimes. We see their sense of achievement and their skills progressing.
£200	Sports for Champions GB Athlete visit	GB athlete Chris Bennett (Hammer) visited school to lead a circuit session with each class and spoke about his experience of the Olympics in Rio to the whole school.	The children and staff were inspired by Chris and his achievements. In his talk to the children he explained that they were all good enough to go to the Olympics if they worked hard at something that they enjoy.
£2000	Storage container to store PE equipment for outside use and for bikes and scooters.	To safely store the PE equipment (and bikes and scooters) on the school field.	The equipment that the school has will be maintained and stored in a safe place. This will mean that the equipment will last longer and be in a better condition for the children to use.
£5000	Improve the outside play area	To improve the play facilities on offer to the pupils during their break and lunchtime sessions. To replace the existing play equipment that is now dated. Offer an alternative type of activities for all pupils.	The pupils love the traverse wall and the playtrails on the field. The equipment has also been used in curriculum time to boost the levels of fitness of the pupils.
£17,172	Total:		

Planned Expenditure 2020-2021

Planned use of 2020-21 allocation: £17,150			
Amount	What we did	Why we plan to use the allocation in this way	Impact on pupils' health and well-being

£6,500	NUFC foundation sports partnership.	To provide high quality specialist delivery of curriculum PE to all pupils in school, and high quality CPD for teachers and teaching assistants. To access opportunities for local inter-school competitions and festivals. Delivery of an after school sports club. Pupils in KeyStafe also take part in Match Fit sessions (Match Fit is a six-week fitness, football and nutrition course) and Restart a heart.	Pupils will benefit from the delivery of high quality PE and pupils across the school will develop a high level of skill across a range of sports. They will develop their knowledge around health and nutrition and life saving first aid. All teams entered for competitions will achieve a good level of success
£350	Release time for the PE lead to attend training. Daily Mile medals for pupils in Y1 -4	To improve the PE provision at the school. To have the experience and knowledge in which to provide good quality physical activity in lesson time and as an extracurricular option. All pupils to run a final daily mile and receive a medal.	Extra curricular clubs will continue to be a variety of activities. Subject leader will continue to track pupils participation and actively encourage target pupils to engage. The pupils will be enthusiastic about excited receiving their medals for completing the daily mile.
£250	Cricket England	To provide specialist delivery of curriculum PE in games, and high quality CPD for teachers. To provide specialist extra-curricular coaching in cricket	KS2 pupils will develop a good level of skill in the game of cricket. Focus on the development of pupils' attitudes, behaviour and team ethic.
£500	Travel to sporting events	To allow the pupils to compete in Partnership events and the Northumberland School games.	Pupils will gain a sense of achievement representing their school at events. They will learn to deal with the emotions of competing in competitive sports.
£100	Rugby coaching	To provide specialist delivery of rugby.	This will support the KS2 pupils in preparation for the Morpeth partnership rugby tournament. The pupils and teachers will gain a greater understanding of the rules and skills needed to complete in rugby union.
£320	To support with the transport costs for the whole school trip	The trip provides a fantastic day out - the pupils play sport, paddle in the sea and enjoy the sand dunes.	The impact this trip has on the wellbeing of the children and parents is huge. It's fantastic to see the whole school community enjoy this trip together.
£360	The transport to Robinwood	To transport the year 4 pupils to the outward bounds centre at Alston for 3 days of activities.	This trip strengthens the pupils both mentally and physically. It encourages attributes like teamwork, resilience and endurance. The Y4 teacher will identify attributes prior to the visit that the staff will focus on developing.

£3500	Restock equipment for use in PE lessons and after school activities.	To make sure we have the equipment that will allow the pupils to engage in activities at the correct level for their age and ability.	Pupils will feel a sense of achievement and their skills progressing.
