

English – As readers and writers we will learn.....

- About the structure and language used by Dick King-Smith in 'The Hodgeheg'
- we will read the book as a class and write our own adventure story based on what we have read.
- We will learn to use compound sentences, fronted adverbials and a range of conjunctions.
- We will study and write our own play scripts.
- Non-chronological reports using 'Marshmallows' video clip
- Reading comprehension strategies
- Continue to work on a fluent, joined handwriting style

Maths – As a mathematician we will learn.....

- Mental addition and subtraction to and from 3 digit numbers
- Equivalence and addition of fractions
- Multiplication and division by 2,3,4,5 and 8
- Creating and interpreting pictograms and block graphs
- Expanded and Compact column addition and problem solving
- Apply their reasoning skills to problems

Science – As Scientist we will learn.....

- Compare and group together different kinds of rocks on the basis of their appearance and simple physical properties
- Describe in simple terms how fossils are formed when things that have lived are trapped within rock
- Describe magnets as having two poles
- Compare and group together a variety of everyday materials on the basis of whether they are attracted to a magnet, and identify some magnetic materials

In PE we will learn.....

- Swimming
- Athletics
- Sports day preparation

In Religious Education we will learn....

- About Pentecost, the coming of the Holy Spirit and the gifts of the Spirit.
- We will learn about reconciliation and making choices.
- Special places in our world and why they are special to us and to others.
- We will learn about what Muslims believe.

Continue the learning at home....

- Daily reading
- Times table practice
- Using maths in real life situations – at the shops, when baking, telling the time etc

In Design Technology and art we will learn.....

- To program a sphero and design a chariot to carry an object from one place to another
- To design Anglo Saxon Brooches, Viking shields and longships

In Computing we will learn.....

- Use FreeMind to record ideas
- Use Google Form to create a survey
- Analyse the data collected and record the findings in a report

Year 3 Summer Curriculum
